Why choose Truro High School?

Ideal location

The school is situated on a beautiful site near the centre of Truro, Cornwall's historic cathedral city. A large selection of shops, restaurants, cafés, a cinema and a theatre, as well as the cathedral, are all within ten minutes walk.

Cornwall is famous for the beauty of its coastline and its amazing beaches so the late spring and summer months are a perfect opportunity to organise surfing, swimming and walking trips. There are also plenty of local attractions to visit including The Eden Project, Goonhilly Earth Station, Land's End and numerous glorious gardens.

First class comfort

Our boarding house has just undergone a major refurbishment and we're very proud of the results. Most of the bedrooms have en-suite facilities and there are lovely views of Truro and the surrounding area from many of our windows.

The number of beds to a room varies from single occupancy to a maximum of four. Most bed spaces have internet access, plus their own desk and wardrobe.

There are two spacious sitting rooms with wide-screen televisions. The largest room also boasts a fitted kitchen with all the facilities necessary to prepare snacks and beverages.

Laundry and luggage rooms, ample parking and acres of outdoor space for sitting out and having barbecues complete the top notch facilities.

Excellent facilities

With a range of facilities to choose from, we cater for all occasions. Mirrors and parquet flooring adorn our new performing arts studio - a bright, cheerful room that can be used in a variety of ways. Our main hall is also very adaptable - with a grand piano and the capacity to cater for large numbers of people.

A brand new, high-tech language block offering the latest learning methods has recently been completed. Boasting a large IT language suite with an ultra-modern teacher's console able to deliver interactive tuition, three teaching rooms with their own Smart boards and further rooms with satellite television, the new centre is fully equipped to provide the very best language training available. There is plenty of parking nearby.

The school's onsite indoor heated swimming pool can be hired by arrangement.

Great hospitality

Ask any of our visitors and we're confident they'll say our food is great! Every dietary requirement can be catered for and our friendly catering team will always be flexible to individual needs. (Typical menu below).
