- provide candidates with a statement of the arrangements promptly when requested
- seek any information the awarding body holds in relation to how final grades were calculated if there is a concern about any results
- submit an appeal to the awarding body on behalf of a candidate or candidates where it is believed:

- the centre itself made an error when submitting centre assessment grade or rank order information to the awarding body and has supporting evidence that confirms an error was made (and will submit its supporting evidence at the earliest stage and explain why data which the Head of Centre declared to be accurate is now considered incorrect)
- the awarding body made a mistake in the operation of the standardisation model where the wrong data was used to calculate results
- the awarding body made an administrative error in the issuing of results
- collect consent from a candidate before any appeal is submitted to the awarding body.

To respond to any queries, challenges or internal appeals from a candidate (or their parent/carer) Truro High School will provide records detailing:

## Information for Candidates

### Results, Appeals and Certificates

#### Centre assessment grades and rank orders

Truro High School has submitted centre assessment grades and rank orders to the relevant awarding body in accordance with the Ofqual guidance<sup>1</sup> on *Awarding qualifications in summer 2020* and in line with the awarding body instructions.

<sup>1</sup> <https://www.gov.uk/government/publications/awarding-qualifications-in-summer-2020>

For the reason of fairness, awarding bodies are putting these grades through a standardisation process to ensure grading standards are consistent across all centres. The rank order of candidates will not be changed but the final grades candidates receive may be different to the centre assessment grade.

#### Final grades

On candidate statements of results (results slips) and certificates, final grades will be reported in the same way as in previous years.

Final grades will be issued on results day(s) in August as follows:

Date	Qualification type
13/08/2020	GCE AS and A Level qualifications
20/08/2020	GCSE and other Level 1/2 qualifications

#### Arrangements for results day(s)

Candidates will be invited in to collect their results. Parents will be asked to wait outside the School grounds. Results will be distributed in different areas dependent on your year/tutor group. You will be informed of this prior to results day. Information regarding appeals and the Autumn resit series will be included in the results envelopes. Members of Senior Leadership will be available to speak to candidates who need further advice.

#### Concerns about your results

At results time, Ofqual will be providing information for students that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal. The *National Careers Service Exam Results Helpline* offers advice each year for students who have not received the results they had hoped for. Ofqual will also make a helpline available to students and their parents or carers to talk about the appeals process and any other questions they may have about their results this summer.

Awarding bodies will also likely provide information for students about results. Truro High School will signpost you to any relevant information at results time.

If you have a concern about a grade you have been awarded, you can ask the exams department to:

- check whether an error was made when submitting your centre assessment grade and rank order to the awarding body
- raise a complaint with Mrs Matthews if you feel you have evidence of bias or that you were discriminated against; you could also pass such evidence on to the awarding body who could investigate for potential malpractice

- provide information about the opportunity to take an exam in the autumn series or in summer 2021

## **Arrangements for appeals**

The arrangements for awarding qualifications in summer 2020 state:

Candidates can appeal their grades through their centre if they feel the process this summer was not followed correctly in their case.

A candidate can:

- ask their centre to appeal on their behalf to an awarding body if there is evidence that leads a candidate to believe:
  - the centre made an error when submitting a centre assessment grade or rank order information
  - an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal against the centre's decision
  - not to seek any information the awarding body holds that would be needed for an appeal; and/or
  - not to appeal to the awarding body

A candidate cannot:

- appeal against their centre assessment grades and position in the rank order
- appeal in respect of the process or procedure used by Truro High School in calculating their centre assessment grades and position in the rank order
- appeal directly in any respect to the awarding body

## **Certificates**

Candidates or their representative with written authority from the candidate can collect them from reception once they are available by the awarding body.

## Internal appeals procedure

Truro High School will:

- inform candidates of the arrangements for appeals and the accessibility of senior members of centre staff immediately after the publication of results by, by issuing this *Information for candidates – Summer 2020 Results and Appeals Process* document on the School website.
- appeal to an awarding body on a candidate's behalf if it believes the centre itself made an error when submitting a centre assessment grade or rank order information or if it believes an awarding body made a mistake when calculating, assigning or communicating a grade
- ask the candidate to provide written informed consent (informed consent via candidate email is acceptable) before an appeal is submitted to the awarding body as the appeal could result in the final grade being lower than, higher than, or the same as the grade which was originally awarded
- only collect consent after the publication of results.
- where relevant, advise an affected candidate to inform any third party (such as a university or college) that an appeal has been submitted to an awarding body

Truro High School will not:

- seek any information the awarding body holds that would be needed for an appeal if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal to an awarding body on a candidate's behalf if it does not believe the centre itself made an error when submitting a centre assessment grade or rank order information or if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade

An internal appeal may be submitted to the centre where a candidate (or her parent/carer) believes there are grounds to appeal against the centre's decision:

- not to seek any information the awarding body holds that would be needed for an appeal
- not to appeal to the awarding body

An internal appeal should be submitted by:

- completing and submitting an **internal appeals form** to the centre by 10 working prior to the deadline (17<sup>th</sup> September) for submitting a request for an appeal

The candidate will be informed of the outcome of the internal appeal as soon as a decision has been made and in sufficient time for the centre to take any appropriate action where the internal appeal may be upheld.

If the internal appeal is upheld by the centre:

- the centre will request information the awarding body holds that would be needed for an appeal within the time period set by the awarding body
- where applicable, the centre will submit an appeal on the candidate's behalf to meet the awarding body's deadline for appeals
- the centre may charge the appeals fee to the candidate in line with the usual policy
